NOTE FOR: Deputy Director, Employee Benefits and Services
✓ Chief, Retirement Division

FROM: George W. Owens
Director of Personnel

SUBJECT: Note of Appreciation

Gerry,

Please let me add my appreciation for the successful efforts that you have put in place in the Center for Career Transition and our general processing of retirees. This is not the first time that we have heard of the positive way in which you make a difference for those leaving the Agency as retirees. You should take great pride in knowing that you have a very successful program. Thanks for making the Office of Personnel look good.

George W. Owens
